HEALTH, SAFETY, ENVIRONMENT & QUALITY POLICY

Betta Group of Companies is responsible for powerline construction and infrastructure; installation of power poles and residential electrical circuits and meter boxes. All electrical, air-conditioning, data and smoke alarm services. Betta Group of Companies can also assist with cleaning and maintenance of air-conditioners (both domestic and commercial) as well as installation and repair of gas hot water and grid connection of solar panels/solar power.

The Betta Group of Companies is committed to protecting the environment, safeguarding the health, safety and welfare of our employees and those we work with whilst consistently working toward exceeding our customer's expectations.

This commitment is supported by our values of fairness and honesty, integrity, respect, teamwork, our passion for excellence and building relationships with our customers.

OUR GUIDING PRINCIPLES ARE:

- Collaboration with customers and team members to identify, eliminate or control risks to quality, health, safety and environmental performance
- Use risk management and the hierarchy of controls to develop our objectives and targets
- Deliver on our Quality, Health, Safety and Environmental responsibilities and ensure our employees are equipped and trained toward achieving zero harm
- We ensure sustainable performance through long term, mutually beneficial relationships with stakeholders and customers

HOW THE OBJECTIVES WILL BE ACHIEVED:

- Holding everyone accountable for delivery of Quality, Health, Safety and Environment improvements
- Everyone that works within the business understands their role and visibly demonstrates commitment to our objectives and targets
- Complying with all applicable legislation and voluntary requirements
- Developing and maintaining our Quality, Health, Safety and Environment management system and programs
- Reviewing and monitoring our progress, and taking action on non-conformance
- Promoting effective communication and participation in improvement programs

The Betta Group of Companies shall provide the time and resources necessary to implement this policy and shall work toward the continuous improvement of Quality, Health, Safety & Environment performance.
